

Why be a **PART** of **FSA.**

Fire & Security Association

A specialist group of ECA for the fire, emergency and security systems, and monitoring centres industry.

Fire & Security Association
A specialist group of ECA

Why join FSA?

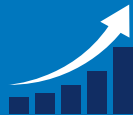

FSA is a specialist group within ECA dedicated to offering support to companies who have achieved the highest levels of certification in the fire, emergency and security systems, and monitoring centres industry.

We offer industry-leading expertise, support and representation across England, Wales, and Northern Ireland.

As a part of FSA, enjoy full access to the suite of comprehensive benefits and services ECA has to offer to:

**Support business
resilience**

**Grow your
business**

**Get you
specified**

**Get your
voice heard**

ECA continues to strive to improve industry standards. Together with our Members and partners we build strong relationships with policymakers and key stakeholders to advocate for a safer and fairer industry.
